Is it based or will use local tradition?]</i> <i>[Characters: Limit 1 000]</i></p>		
<p>What will be the main benefits from successfully implementing your business idea and who will benefit from it?</p>	<p><i>[List the main benefits (social, economic, environmental, etc.) and main beneficiaries of your business idea. Link benefits with beneficiaries.]</i> <i>[Characters: Limit 1 000]</i></p>	

3. ATTACH RELEVANT DOCUMENTS

The following documents should be attached to this Application and uploaded in the specified format:

1. Completed Financial Form, including Budget (sheet 1), Key metrics (sheet 2), Cash Flow (sheet 3), Financial Data in the first three years after the Challenge Fund grant (sheet 4); - *excel format*

The Budget is presented in EUR. Costs and unit values are rounded to the nearest euro. Amounts are automatically calculated after entering new data.

Any grant requested from this Call for **Lot 1: Idea and Validation Stage** should be

- Maximum 10,000.00 EUR

The grant is given on a cost share basis, i.e. the applicant is expected to co-share the costs. The total grant amount may not exceed 95% of the total value of the budget for the implementation of the business idea for which the grant is awarded.

The co-financing share of an applicant's own contribution must be 5% of the total value of the budget for the implementation of the business proposal. The co-shared amount may be in cash or in-kind contributions. Salaries should be proposed only as in cash contributions. Fix assets and equipment should be proposed only as in-kind contributions. All information on eligible costs and activities can be found in the Guidelines Document.

The budget table includes the following headings:

- **Human Resources** - Staff costs include direct compensation for the costs of employees working for the implementation of the business idea (gross salaries including taxes and contributions.) As an example the staff may include i.e Administrator/Manager, IT, Marketing or Finance Officer staff costs, etc. The Human Resources costs should not exceed 30% of the total cost of the project.
- **Administrative costs** – Include office rent, equipment maintenance, office supplies, transportation, communication, etc.
- **Implementation costs** – Include purchase of equipment and tools, infrastructure works, promotion and marketing, raw materials for product' development, external expertise etc.

For the procurement of equipment, please specify each product you are planning to purchase during the implementation of the business idea. The need for this kind of costs must be explained in detail in the proposal, and the equipment cannot be subject of transfer of ownership for at least two years after grant contract completion. One cost cannot be included in more than one budget headings or in more than one budget line within the same budget heading.
